The Office of International Programs**

**Experience Abroad and Exchange  
Conduct Pledge**

As a participant of the North Carolina Agricultural and Technical State University international exchange/experience abroad program, I understand the importance of representing NC A&T State University with the highest admiration.

Specifically, I acknowledge the importance of observing the laws of my host country and the Code of Student Conduct of my host university. In addition, I realize, as a participant in an official NC A&T program, I will remain subject to NC A&T Code of Student Conduct, as well as all other NC A&T policies applicable to student behavior during my period of international exchange/experience abroad. I further agree to comply with any and all supplemental rules and/or standards adopted by NC A&T for the programs in which I am participating, should NC A&T provide such rules.

I agree that NC A&T has the right to enforce all the standards of conduct, rules and regulations stated above. I further agree if I violate any of the standards, rules or regulations, I may incur action, including immediate dismissal from the program. If such an instance occurs, the Program Director will provide notice of the allegation and the opportunity to respond and take action based upon available evidence. I also understand that if I am incapacitated and unable to respond, the Program Director may act upon available evidence. **ANY AND ALL ACTION TAKEN BY THE PROGRAM DIRECTOR IS FINAL.** In addition, I recognize that due to the circumstances of foreign travel and foreign study programs, procedures for notification and time frames for response may vary. If disciplinary action is taken and I am excluded from the program, I consent to my dismissal from all aspects of the program, including housing, at my own expense with no refund of fees or expenses.

I realize should I commit an offense while overseas; I may be subjected to legal action and/or judicial proceedings from my host country. I also understand should my offense be sufficiently serious in judgment of my host country or Program Director, the host university or Program Director has the authority to terminate my participation in the experience abroad program. Should the offense be of a criminal nature, I further understand that I may be prosecuted under the laws of the host country, and that NC A&T may be powerless to intercede on my behalf.

In addition, should I violate NC A&T Code of Student Conduct, or any other NC A&T policies applicable to student behavior while overseas, I understand that NC A&T may take conduct action against me prior to or upon my return to campus, at NC A&T's discretion.

In acknowledgement of the gravity of the above, I solemnly pledge to conduct myself overseas in a manner that reflects credit to my home country, state, and NC A&T.
