

I. Welcoming Message

Greetings from Kangnam University! We warmly invite foreign students to Kangnam University and South Korea.

Kangnam University maintains extensive international network with around 130 universities in over 30 countries and educates around 300 international students from all over the world; Kazakhstan, China, Kenya, Nepal, Cambodia, Mongolia, Uzbekistan, Kyrgyzstan, Sudan and so on. We offer a wide range of programs which include undergraduate courses in Business & Economics taught in English and Korean Language Program through the Language Education Center. Moreover, we offer the International Summer School program to foreign students who are studying at sister universities and are interested in Korean culture, language, and people. Students can take classes related to "Korean Studies" and all the classes under this program are taught in English. In this program, students could experience and learn various aspects of Korea such as Korean language, Korean culture, Korean history and Korean Economy. As well, upon the students' request, Korean language program(basic level) would be provided.

II. Undergraduate Courses in English

Every semester, Kangnam University opens undergraduate courses taught in English designed for international students who do not have Korean proficiency.
